Turn your passion for dynamic events into reality

Singapore is the perfect place to combine business and leisure for meetings and incentive travel. Our cutting-edge facilities, unique venues and wide range of entertainment options enable meeting planners to engage and empower their delegates with innovative ways of working, networking and collaborating.

If you're passionate about growth – for yourself, your delegates and your business – this is where you can make it happen.

We are here to help

Singapore Exhibition & Convention Bureau™

The Singapore Exhibition & Convention Bureau™ (SECB) is a part of the Singapore Tourism Board (STB). As the lead government agency for the business events sector, we are responsible for shaping and retaining Singapore's exceptional reputation as one of the world's best business events destinations.

As a business events champion

We drive initiatives to develop Singapore's vibrant MICE environment and achieve greater business competitiveness. We also strive to reinforce Singapore's position as a regional events hub by connecting meeting planners with venues and supporting services, leading government agencies, local associations and business partners.

As an experience architect

We value every business attendee and trade visitor, and we are dedicated to providing support to industry partners in creating seamless and efficiently-run events.

As a global marketer

We also facilitate marketing and publicity support for your event to help you reach your regional and global target audience, including event listings on visitsingapore.com/mice and the VisitSingapore Business Events LinkedIn account.

Singapore is a member of the Best Cities Global Alliance, the world's first convention bureau alliance. Other member partners include Berlin, Bogotá, Cape Town, Copenhagen, Dubai, Edinburgh, Houston, Madrid, Melbourne, Tokyo and Vancouver. To deliver the best professional practices and service, we pride ourselves on our close cooperation that extends across organisations, cultures and countries.

why singapore

Where business, leisure & world-class experiences meet.

Partner Singapore's experienced business event organisers to create winning solutions and achieve success for your event. Our knowledge-based economy, extensive networks, pro-business environment, stable socio-political climate, strong economy and myriad leisure offerings make it easy for you to create a rewardingly fun experience that's more than just business.

Access thought leadership in a secure intellectual property rights environment

Singapore is the home base of thought leadership and innovation, with unique strengths in knowledge-based and knowledge-driven industries such as banking and finance, biomedical sciences, infocomm technology and media, energy and environment, as well as transport and security. We have also successfully grown our R&D base, drawing top scientific and creative talent and nurtured many R&D collaborations between the public sector and private enterprise. These factors continue to draw international thought leaders, high-level government officials, and international personalities to Singapore for the exchange of ideas and insights.

Singapore is home to over 7,000 multinational corporations and around 150 International Non-Profit Organisations (INPOs).

Leverage the Asian hub with a global perspective

As one of Asia's main air, sea and telecommunications hubs, Singapore offers access to a marketplace of some 4 billion people within a 7-hour flight radius. Business travellers can easily convene in Singapore, with over 100 international airlines flying to some 380 cities in 90 countries and territories worldwide. Beyond air and sea connectivity, Singapore also has the most extensive network of free trade agreements in Asia. Coupled with a trusted network of event organisers, venue operators, government agencies, trade associations and academic/research institutions, Singapore is well-positioned to ensure the smooth planning and successful staging of a business event.

"One of the key strategies to drive our events business forward is to form strategic partnerships with established MICE players abroad to create new shows in the Asian market. We will continue to collaborate with strategic partners to develop new event concepts in key industries such as healthcare, technology and environment to meet industry demands, and in line with Singapore's vision to be the regional hub for these industries."

Aloysius Arlando, CEO, SingEx Holdings Pte Ltd

Event organisers can also take advantage of the rising interest in Asia from the international business community, and attract delegates looking to access and harness the growing opportunities in this region. Singapore continues to attract and anchor quality business events, facilitating the creation of thought-provoking content and exchange of in-depth knowledge, while providing valuable networking opportunities. Our products and experiences are tailored to meet the needs of increasingly sophisticated delegates and business travellers.

Organise events with ease

Singapore prides itself on its efficiency and the professional services that the local industry can provide to business events organised here. The SECB also works with industry partners to provide customised solutions to meet the unique needs of any event. With Singapore's stable socio-political climate, good infrastructure and an enticing concentration of business and leisure offerings, business events can be run with greater ease and confidence.

Discover innovative venues for every event

To help event organisers develop creative programmes that enrich the overall delegate experience, Singapore offers an array of unconventional business event venues that seamlessly integrate MICE facilities with unique leisure offerings.

Mix business with unique leisure experiences

When it comes to having a great time, it's all in a day's work in Singapore. From its distinctive cultures and dining experiences to a vibrant arts scene and acclaimed events like the world's first FORMULA 1 night race, and the season-ending Women's Tennis Association (WTA) Finals featuring the year's best eight singles and doubles players, there's a unique mix of exhilarating leisure experiences to enhance a delegate's stay.

We are committed to maintaining our position as a top business events destination, offering event organisers the opportunity to access world-class content, network with top minds, and still have a great time.

Gardens by the Bay

"The positive outlook of the exhibition and conference industry continues to mirror the growth of the global economy and we are constantly looking for sophisticated and professionally trained destinations to launch new or enhanced shows. Asia, and specifically Singapore, continues to be an excellent destination as it offers outstanding accessibility that allows organisers to attract global participants and be very successful with their events."

David DuBois, President and CEO
International Association of Exhibitions
and Events (IAEE)

CHANNELS OF SUPPORT

Incentives to make every trip rewarding

BUSINESS EVENTS IN SINGAPORE (BEIS)

The BEIS Scheme extends financial support to organisers of Meetings, Incentive Travel, Conventions, Trade Conferences or Trade Exhibitions on fulfilment of specified deliverables. Grants are extended on a reimbursement basis.

ELIGIBILITY CRITERIA

The recipient must be a business, company or association in the MICE sector. The event will be judged on content, brand and attendee profile, including the level of foreign visitorship.

APPROVED INTERNATIONAL FAIR (AIF)

The AIF Scheme confers official recognition on selected trade fairs with proven international and commercial appeal. It plays a significant role in helping exhibitors and visitors identify trade fairs with strong access to global and

Asian markets. AIF events are easily identified by the AIF logo. Approved local exhibitors in AIF events benefit from a tax incentive.

ELIGIBILITY CRITERIA

The trade exhibition must be organised by a professional exhibition organiser and adhere to international standards. It must have at least one successful showing in Singapore and be at the forefront of introducing products and services to the industry. The event will be assessed on the number of foreign exhibitors and visitors, and size of exhibition space.

SINGAPORE MICE ADVANTAGE PROGRAMME (SMAP)

SMAP is a partnership between the SECB, Changi Airport Group, Singapore Airlines Group, JetQuay and Uber to provide business events organisers and MICE delegates with a host of exclusive privileges and unique experiences.

ELIGIBILITY CRITERIA

The events will be judged on a minimum number of foreign participants.

In Singapore Incentives & Rewards (INSPIRE)

INSPIRE is a rewards programme consisting of curated itineraries which centres on the best of Singapore's dining, entertainment and attractions suited for groups from India, China, Southeast Asia, Europe and North America. The SECB and its partners have launched packages with experiences that will appeal to incentive travellers from each market. These packages are not available for sale commercially.

ELIGIBILITY CRITERIA

The benefits are dependent on a minimum number of visitor nights.

For more information on our assistance schemes, go to www.visitsingapore.com/mice/en/plan-your-event/event-assistance-schemes.html.

SUSTAINABLE GREEN MEETINGS

Meetings go green

With an increasing consciousness about the environment, more MICE event organisers are turning to destinations and venues with strong sustainability policies to enhance the overall visitor experience.

Three easy ways to go green in Singapore

CHOOSE A GREEN VENUE

Green venues enjoy savings in operational costs resulting from energy and water efficiencies. These savings can in turn be passed on to the event you are organising. Apart from reduced resource consumption, the extensive greenery and healthy indoor environment can also provide a greater sense of well-being to your delegates.

The Building and Construction Authority (BCA) certifies green venues in Singapore with the Green Mark. Look out for the BCA Green Mark symbol in our Event Venues directory.

TRAVEL GREEN

Public transport in Singapore is clean, efficient and safe. With the island's extensive bus and train networks, delegates can get around the city and to meeting and convention venues easily and comfortably at less than a tenth of a private car's carbon footprint. To further reduce the environmental impact, choose an environmentally-friendly airline, like Singapore Airlines, when making travel arrangements to and from Singapore.

JOIN GREEN SOCIAL ACTIVITIES

Designed as a city in a garden, Singapore offers an abundance of clean air and relaxing spaces for recreation. You can choose from myriad green tours organised by NParks, Marina Barrage and Gardens by the Bay, as well as green activities on Sentosa that are perfect for team building.

SUSTAINABILITY GUIDELINES FOR THE SINGAPORE MICE INDUSTRY

These guidelines have been developed as a tool to help both planners and suppliers integrate sustainable practices within your organisation's operations and regular event plans. Through these guidelines, you will gain a better understanding about environmental, social and economic sustainability issues and their implications on the events you organise. Seven guidelines have been developed, to offer guidance for Basic and Intermediate sustainable performance.

For more information on planning a green meeting using the guidelines, go to www.visitsingapore.com/mice/en/why-singapore/be-sustainable.html.

Sentosa-Harbourfront

With an island-resort vibe, this precinct offers an inviting mix of thrill and idyll. Go wild at Universal Studios Singapore™ and S.E.A. Aquarium™ (one of the world's largest aquariums). Enjoy the high life at celebrity chef restaurants, tee-off at an international golf course, or relax at the many top spas on the island, not to mention the breathtaking views while riding the Singapore Cable Car. For retail indulgence, head to VivoCity, Resorts World™ Sentosa Galleria and HarbourFront Centre.

A unique blend of old and new forms Singapore's cityscape

fast facts

Get to know Singapore a little more.

Singapore may be known as a little red dot, but there is much to discover about the Lion City. Here are some essential facts that can help make your event, as well as your delegate's stay, go a lot smoother.

History

Founded in 1819 as a British trading colony, Singapore declared independence on 9 August 1965. Over the next five decades, the country thrived as a financial and trading hub. Through global trade links and the establishment of various Free Trade Agreements, Singapore has become a highly developed market-based economy.

Although mostly urbanised, Singapore still retains its Asian charm and heritage. A cosmopolitan city with a multi-ethnic population, Singapore's culture, arts, architecture, hospitality and cuisines all reflect the blend of the East and West.

The constantly reinventing, ever-changing Singapore skyline

People

Singapore has a multi-ethnic population of about 5.60 million, 30% of whom are foreign expatriates and workers.

Language

The four official languages are English, Malay, Mandarin and Tamil. English is the language of administration and is widely spoken throughout Singapore.

Time zone

Singapore Standard Time is UTC/GMT +8 hours.

Climate

Singapore is warm and humid all year round. Daily temperatures average 28 degrees Celsius. Abundant rainfall can be expected during the monsoon seasons from December to March and from June to September.

Singapore's diverse ethnicity makes up its local flavour

Multi-lingual communication made friendly

"With its excellent infrastructure, first-class services and facilities, combined with efficiency and an excellent, proactive business approach, Singapore continues to provide the ideal venue for our annual event TFWA Asia Pacific Exhibition & Conference."

Erik Juul-Mortensen, President
Tax Free World Association (TFWA)

Currency and banking

The official currency is the Singapore Dollar (SGD). Most foreign currencies are also accepted in major shopping centres and big department stores.

SGD notes:

SGD coins:

Banking hours are as follows:

Monday to Friday: 10am to 3pm

Saturday: 9.30am to 1pm
(some banks are open till 7pm)

Sunday: Most banks are closed but some are open between 11am and 7pm

Major credit cards are widely accepted by establishments in Singapore.

Voltage

Singapore uses 220 to 240 volts AC, 50 cycles per second. Most hotels provide adapters for electrical appliances of a different voltage on request.

Smoking

Smoking is prohibited in all air-conditioned areas (e.g. shopping centres, restaurants, cinemas, public buses, the MRT subway system, taxis, lifts), common corridors, void decks and staircases within residential buildings, outdoor hospital compounds, as well as within a five-metre radius from any entrance/exit and bus shelter.

Safety

Singapore is one of the safest cities in the world. It is generally safe to walk along the streets late at night. The country's general economic prosperity and a professional and effective police force contribute to the low crime rate.

World's Second Safest Country
(World Justice Project Rule of Law Index 2015)

GST refunds

As a tourist in Singapore, you may claim a refund on the 7% Goods and Services Tax (GST) paid on your purchases at participating retail shops before you leave Singapore. GST refund is applicable for purchases above SGD100. A handling fee for the refund service will be deducted from the GST amount.

Claiming your GST refund is easy and hassle-free — thanks to the Electronic Tourist Refund Scheme (eTRS). Simply choose one credit/debit card as a Token for tagging your purchases entitled for refund and apply for a refund using the eTRS self-help kiosks at the airport and cruise terminals. Alternatively, you can use the eTRS Tickets issued at the point of purchase to apply for your tax refunds.

For more information on Tourist Refund Scheme, visit www.customs.gov.sg.

Infrastructure and communications network

The infrastructure in Singapore is well placed to meet all business needs.

Ranked at the top of the Networked Readiness Index 2015 by the World Economic Forum's Global Information Technology Report 2015, Singapore is an important telecommunications centre in Asia.

Within Singapore, the broadband network reaches 99% of the population. Many areas of the city centre and the Civic District have wireless network access. International and regional connectivity now stands at 27.6 terabits per second to more than 100 countries.

Getting to Singapore

Changi Airport services 100 airlines flying to 380 cities in about 90 countries and territories worldwide. Each week, about 7,000 flights land or depart from Changi, with more than 58.7 million passengers passing through the airport every year.

For more information, visit www.changiairport.com.

*Based on international passenger traffic

A world-class welcome by the globally renowned Changi Airport

Flight connectivity

With a travelling time of seven hours to most Asian cities and 3.5 hours to most ASEAN capitals, the award-winning Changi Airport connects Singapore to the region and around the world.

Visa requirements

Nationals from a large majority of countries do not require visas for social visits of a 30-day duration, provided they are in possession of recognised and valid travel documents, adequate funds and return or onward tickets.

Please refer to www.ica.gov.sg for more information on Singapore's visa requirements.

"Over the past decade, UFI's membership in Asia has jumped from less than 50 to over 240 companies, representing all the international industry leaders! Each year, net space sold in Asia continues to rise, as does Asia's role within the global exhibition industry. Throughout this journey of growth and expansion, Singapore has maintained its impressively world-class infrastructure and highly professional MICE workforce. It is those high standards that attract visitors and exhibitors to Singapore's trade shows year after year. We at UFI look forward to continued close collaboration with all of our members and partners in and through Singapore."

Kai Hattendorf,
Managing Director, UFI

ez-link card

The ez-link card is a contactless tap-and-go smart card and a convenient way of paying for MRT train and bus fares. An ez-link card with a prepaid travel value can be purchased at all MRT stations, as well as selected bus interchanges, 7-11 stores and all SingPost outlets.

To use the ez-link card for the MRT, tap the card on the card reader at the fare gate. To use it on buses, tap the card on the entry card reader upon boarding. Before alighting, tap it once again on the exit card reader.

For more information, visit www.ezlink.com.sg.

The Singapore Tourist Pass

This all-day travel pass offers visitors unlimited travel* on Singapore public buses, MRT and LRT trains. There are three types of Singapore Tourist Passes available:

One-day pass: SGD10

Two-day pass: SGD16

Three-day pass: SGD20

The pass can be purchased from TransitLink Ticket Offices located at selected MRT stations. The price of the pass excludes a SGD10 deposit which is fully refundable when it is returned within 5 days from the date of purchase.

Alternatively, purchase the Singapore Tourist Pass Plus which includes unlimited travel** on Singapore public buses, MRT and LRT trains, one round trip Bubble Jet ride and one-day FUNVEE bus tour.

**Unlimited travel applies only to basic bus and train services and excludes rides on Premium bus services such as Express, Fast Forward, Night Rider, Nite Owl, Chinatown Direct, Jurong Island and Bus Plus services.*

For more information, please visit www.thesingaporetouristpass.com.sg.

*** Unlimited travel applies only to basic bus and train services. It begins with the very first tap of the pass on the bus or MRT card readers of basic services and will run for the duration of the number of days the pass is purchased for. It will expire at the end of the public transport work day (i.e. the last bus/train) on the last day of the pass duration.*
